## PROFESSIONAL SUMMARY

---

As a student athlete I have acquired and improved skills such as time management, problem solving, gritty, self-disciplined, strong work ethic etc. As installer I am skilled in handling various materials including turf, rubber/ rubber tile flooring with efficiency and precision. I hold myself accountable for completing projects on time and ensuring customer satisfaction through thorough execution.

## EXPERIENCE

---

June 2022 - Present

### **Flooring Installer**

Fitness Installation Co., Dassel-Cokato, MN

- Ensured all work was completed to the highest standard and in adherence to safety regulations.
- Met with clients and inspected sites to determine most appropriate flooring solutions.
- Utilized various tools such as trowels, blades, grinders, hammers, stair tools, tape measures, etc. for a variety of projects
- Demonstrated knowledge in different kinds of flooring materials, their characteristics and best practices for installation.
- Performed accurate measurements for each job site in order to ensure proper fitment of materials.
- Measured installation areas to cut flooring materials to fit.
- Sanded, scraped, and cleared floor irregularities to correct imperfections.
- Applied adhesive compounds to floor or wall material to adhere and join foundation material.

June 2021 - Present

### **Camp Counselor**

Wrestling Camps, Iowa City, Dassel, Odin, MN, IA

- I am able to help other wrestlers across all age groups reach their goals by assisting them in their progression in the sport.
- I have worked with my previous high school's wrestling program, the University of Iowa, and David Thorns, Thorn Camps during Summers.
- In my role, I am a part of showing technique during practice, making sure the wrestlers are acting according with camp rules, and keeping the mats as well as any other equipment clean for the cycle of practices/workouts.

August 2023 - December 2023

### **Warehouse Worker**

UPS, Iowa City, IA

- Pulled and prepared product for shipment, verifying exact number and type of product before loading and shipping.
- Sorted and placed materials or items on racks and shelves according to organizational standards.
- Assisted other departments when needed to complete tasks in a timely fashion.
- Utilized barcode scanning technology to track product movement throughout the warehouse.
- Routed products by scanning packages, reading labels and charts, verifying numbers and sorting packages correctly.
- Loaded and unloaded trucks with heavy materials following safety protocols.
